

#### **Werner 5x5**

- Necessary Gear: Shot timer, handgun, & holster (advanced version only).
- Target: 5 inch target.
- Distance: 5 yards.
- Par Time: 5 seconds.
- Start Position: Low ready, or holstered (if shooting the advanced version).
- Round Count: 25 rounds total, in 5 strings of fire.
- Strings of fire: 5 strings of fire, with 5 rounds in each string.
- Course of Fire: Shooter is to start at low ready, and on beep, raise gun, and fire 5 rounds into the target. This is repeated 5 times. If shooting the advanced version, shooter begins with gun holstered, draws on beep, and fires 5 rounds.
- Pass Condition: Completing all 5 strings of fire with clean shooting, and under par time each time.
